Dear Families of Cardinal Foley School,

We have much to be proud of here at Cardinal Foley School! In September, as our students and families arrived for the first day of a new year, they were greeted with the celebration of the Fifth Anniversary of our School. Since then, it has been a most exciting and invigorating year as we mark these great accomplishments of Catholic Education here in Havertown. ***Catholic Education is alive and vibrant here and will be for a long time to come!***

One significant sign of the enthusiasm of the people of Annunciation Parish and Saint Denis Parish, past and present, alumni and friends, is the remarkable response to the first Annual Appeal for Cardinal Foley School. From both sides of Havertown and both coasts of our great nation, the response has been terrific. To date, the appeal has raised nearly \$70,000! These funds will be used to secure our future and help us develop long range plans for our vision of Catholic Education.

One of the principle tasks of our dedicated School Advisory Board is to help us create a clear plan for budgeting and prudent spending. We are grateful for their professional advice and understanding of our desire to keep the mission of Catholic Education affordable for all families. We have accepted the recommendations of the Board regarding tuition for the 2017-2018 School Year.

Obviously, like your own households, each year brings about an increase of expenses. We have worked hard to insure that, while there is an increase, we have also considered the overall needs of our families.

We are grateful to you for the sacrifices you are making to send your child/ren to Cardinal Foley School! It is a joy for us to provide quality Catholic formation and education.

Sincerely,
